

### **Echuca businesses finalists in elite awards**

**Melbourne, 7 May** – Echuca businesses, Echuca Service Centre 4X4 and Catocraft Auto have been shortlisted as finalists in the VACC Industry Awards.

Echuca Service Centre 4X4 is vying for Best Mechanical, Light Vehicle and Best Used Car Dealer, while Catocraft Auto is in the running to win Best Restoration Project.

The annual VACC Industry Awards program was instituted by the Victorian Automobile Chamber of Commerce, the peak body for the state's automotive industry, in 2016.

“High standards are important to the automotive industry, so the VACC Industry Awards were initiated to recognise and promote those businesses who reach high, those who attain and sustain business excellence,” said VACC Chief Executive Officer, Geoff Gwilym.

Awards in 36 categories are being contested this year and include everything from mechanical and body repairs to farm machinery, aftermarket and retail business operations.

A record number of applications were received for the 2019 VACC Industry Awards. Submissions were assessed based on business management, workplace practices, customer service and marketing and communication.

“VACC acknowledges the high calibre of all applications. In the face of strong competition, Victorian motorists can be assured that any business named as a finalist in the VACC Industry Awards this year is a genuinely good business,” Mr Gwilym said.

The VACC Industry Awards category winners will be announced at a black tie gala evening, featuring MC Larry Emdur and a string of top-notch entertainers, on Saturday, 22 June at the Grand Hyatt, Melbourne.
